Space & Naval Warfare Systems Center Awards Contract

SAN DIEGO — ISX Corporation of Westlake Village, Calif., is being awarded a \$28,381,253 Indefinite Delivery, Indefinite Quantity type contract with a cost plus fixed fee pricing arrangement for research of advanced technologies for human and information system interaction infrastructure. This work will include communications between humans and information systems; processing by information systems of human originated inputs and queries; agent based or other intelligent query formation and processing; intelligent and rapid domain dependent and independent information retrieval and intelligent and dynamic information presentation. This contract contains no options. There is a minimum guarantee of \$806,000. Work will be performed in Westlake Village. The period of performance is from May 19, 1999 to May 18, 2004. Contract funds will not expire at the end of the current fiscal year. This contract was competitively solicited through the Commerce Business Daily with 70 white papers received and 25 selected to submit a full proposal. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-99-D-8606).
